e. Gravity opens at 7:30 AM for extended care and it closes at 6:00PM. **If pick-up occurs after 6:05PM your account will be charged at a rate of \$15.00 per 10 minutes.** Our staff is scheduled to leave at 6:00PM. We ask parents to please avoid this situation as much as possible.

## 2. Snacks & Lunch:

a. We ask parents to send snacks and drinks. If your child is registered for session III as well, you may have to send additional snacks and drinks.

b. In order to avoid situations where your children misplace or lose money, you are welcome to purchase "Gravity Snack Cards". They are available in \$5.00 or \$10.00 cards.

c. **All children must bring their own utensils, napkins, and drinks for lunch and snacks.**

Those children who purchase lunch at Gravity are exempt since everything that is needed will be provided.

d. Lunch boxes will not be allowed in the refrigerator. You may put an "ice pack" in the lunch box to keep food cool and in good condition.

e. The use of microwave will not be allowed.

## 3. General Guidelines:

a. All children, 6 years old or younger, must bring a change of clothes.

b. No electronic games or hand held devices will be allowed during camp hours.

c. No cell phones or music devices will be allowed. If your child needs to call you, we will let her/him use our phone at any time.

d. Gravity staff members will not be authorized to administer any type of medicine. Except for band-aids and ice (they are magic).

If you have any questions or concerns during camp, please speak to Clara Cinti, Camp Director.
