Movement Education Program

Gravity Gymnastics goes to your school and provides you with the curriculum, teachers, instructional materials, and equipment needed to offer outstanding movement education activities within a fun, safe, and creative environment.

You can now offer physical education classes without having to purchase expensive equipment and/or increasing your payroll. Gravity Gymnastics offers "Movement Education" classes to pre-schools, daycares, and private schools in Dade and Broward County.

Class Duration: 50 minutes (a minimum of five students is required to open a class).

Price: \$35.00 a month per child.

Insurance: we provide our own liability insurance.

Equipment: Gravity Gymnastics will provide all equipment and materials used during class.

The school will incur no costs.
