

# Open Gym

Gravity Gymnastics offers your child creative and fun ways to stay fit. Open Gym is a non-instructional program where children have the opportunity to explore the fascinating world of physical activity and movement. Our professional staff supervises activities to ensure a safe and fun learning environment.

## Grade School Open Gym

A spacious playground where your children can jump, climb, bounce, and play. Open gym is another great opportunity for children to discover the benefits of active play while having a great time with their friends.
